### LIMITED WARRANTY

This limited warranty covers the correctly sized catalytic combustor against defects in materials and workmanship when installed as a component in a properly used and maintained E.P.A. certified wood burning appliance.

Sand Hill Wholesale & Mfg., Inc. warrants to the original consumer who purchases the catalytic combustor to replace at no charge (excluding shipping and handling) the catalytic combustor that ceases to function due to defects in materials and workmanship within one year from date of purchase. In the event that a combustor should fail after one year, we will provide a replacement, based on the original purchase date, using the replacement schedule shown below. Our obligation under this warranty shall be limited to the exchange of any catalytic combustor which may prove defective under proper use and shall not include any relief for incidental or consequential damages incurred. Under no circumstances will Sand Hill Wholesale & Mfg., Inc. be responsible for any transportation, installation or removal costs resulting from the failure of any catalytic combustor or appliance. Current retail pricing can be found at [www.sandhillwholesale.com](http://www.sandhillwholesale.com) or by calling 1-614-444-0326. You may register a warranty claim provided the following conditions are met:

- The correctly sized catalytic combustor was installed as a component in a properly used and maintained E.P.A. certified wood burning appliance.

- Do Not Return warranty claims to the Dealer.** To submit a warranty claim the following items must be returned pre-paid to Sand Hill Wholesale & Mfg., Inc.

- The defective catalyst.
- A copy of the original bill of sale that includes the place and date of purchase of the catalytic combustor.
- The completed warranty claim form.
- Enclose a check or money order payable to Sand Hill Wholesale & Mfg., Inc. for shipping and handling. If the catalyst has failed after 1 year from date of purchase, enclose check or money order for the proper amount (including shipping and handling), from the following Replacement Price Schedule:

Year 2	35% of current retail price
Year 3	50% of current retail price
Year 4	75% of current retail price
Year 5	90% of current retail price

Shipping and Handling \$12.50
