

Rainbow Flame Crystals

Item 715

- Provides colorful flames for your fire
- Use in fireplaces, wood stoves or campfires

Description:

Granular crystals add blue and green flames to a lively fire!

Performance Characteristics:

- Will not harm stoves or chimneys
- In an easy to use shaker container

Recommended Uses:

Use Rainbow Flame Crystals in fireplaces, wood stoves, and campfires.

Application:

Wear heat resistant gloves. Carefully shake approximately 2 tablespoons of crystals into the base of the flame area after the fire is well lighted. As the color subsides, simply add more crystals to reinvigorate the colorful flames.

Typical Physical Properties:

Consistency	Granular
Flashpoint	N/A
Storage/Handling	Store in cool dry place

Limitations:

Do not use in fires that are to be used for cooking. Use only in vented appliances, as there may be an odor coming from the crystals. If fire is not burning well, the flames will not display the color.

Warranty and Limited Remedy:

This product will be free from defects in material and manufacture for a period of eighteen (18) months from date of manufacture. Rutland Fire Clay Company makes no other warranties including,

but not limited to, any implied warranty of merchantability or fitness for a particular purpose. User is responsible for determining whether the Rutland Fire Clay Company product is fit for a particular purpose and suitable for user's application. If this Rutland Fire Clay Company product is defective within the warranty period stated above, your exclusive remedy and Rutland Fire Clay Company's sole obligation shall be, at Rutland Fire Clay Company's option, to replace the Rutland Fire Clay Company product or refund the purchase price of the Rutland Fire Clay Company product.

Limitation of Liability:

Except where prohibited by law, Rutland Fire Clay Company will not be liable for any loss or damage arising from this Rutland Fire Clay Company product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.

CAUTIONS:

Eye and skin irritant. Harmful if swallowed. Contains copper sulfate. Avoid contact with eyes or prolonged contact with skin. If swallowed, give milk or water and get medical attention. In case of contact with skin or eyes, flush thoroughly with water. Contact an eye doctor.
