

R-CO CHIMNEY

The R-CO Chimney Housing is virtually impossible to tell from a brick and mortar chimney; is attractively priced and adds to home appearance and value. Easy handling and storage. UPS shipping.

Specifications: Standard sizes: 18-3/4" x 23-1/2" x 48"
23-1/2" x 23-1/2" x 48"
24" high extensions for above units can be used in multiples

Other sizes available - (special order)

All larger sizes have reinforcement channels welded 24" on center. Also available, three (3) sided chases for wall mounting - from ground level to desired heights.

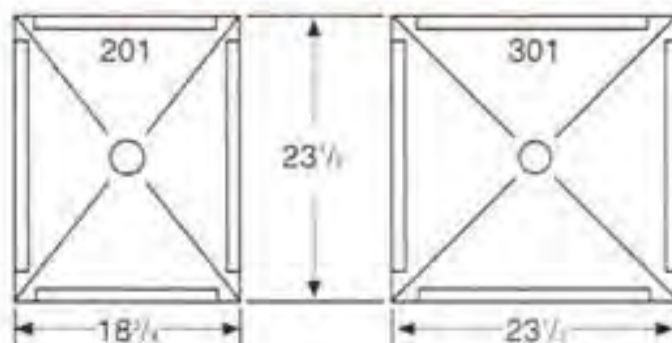

Construction: Coated 22 gauge steel interlocking all joints. Exterior finish - space guard coating: available in brick or stucco design.

Installation: Mounting brackets (included) must be properly secured with lag bolts e.g. (or bolts for larger units) to a solid framed opening. (Hardware not included.)

Install sheet metal screws on all vertical and horizontal joints - 12" on center.

Colors: All colors available for both sizes, except Fieldstones - #301 square only)
