

Hearth & Grill Conditioning Glass Cleaner

Item 84, 8432

- Removes baked on residue on hearth & grill glass doors
- Conditions and protects the glass
- Leaves a protective silicone layer to make the next cleaning easier

Description:

A safe strong non-scratching formula that removes baked on smoke, soot, creosote, carbon and mineral residues from glass and hard surfaces. Contains a soft scrub abrasive for removing the most stubborn fire residue. Special formula conditions as it cleans by leaving a protective silicone layer that makes the next cleaning easier.

Performance Characteristics:

- No fuss, no mess
- Works instantly
- Removes the most stubborn fire residue

Recommended Uses:

For use on glass, stainless steel, chrome, aluminum, porcelain and tile surfaces. Removes baked on smoke, soot, creosote, carbon and mineral residues.

Application:

Test in small area if unsure whether cleaner is compatible. Apply a small amount with a clean damp paper towel or newspaper. Rub the soiled surface vigorously. Do not let it dry on glass surface. Remove excess cleaner and polish with a dry paper towel. Wash eating utensils before using.

Clean up:

Clean up with soap and water

Typical Physical Properties:
